# Mortgage process do's & don'ts

Remember, we're in this together

It's our job to make sure your homebuying process goes quickly and smoothly. You can help by doing certain things, avoiding others and **asking questions!** We're here to help and will never be too busy to respond to you.

## Do

- Get pre-approved so you can make a strong offer
- Be thorough and honest on your application
- Continue to pay your rent or mortgage, loans and credit cards on time
- Keep your current job and income, and contact us right away if either one changes
- Have your important documents handy (especially your W-2s, tax returns and pay stubs)

## Don't

- Make any major purchases (furniture, cars, boats, those sorts of things)
- Apply for new credit accounts, close existing accounts or co-sign loans for others
- Make large cash deposits into your bank account other than your paycheck
- Spend your down payment or closing cost money
- Plan a vacation during your loan process
